

...Expand Choice, Enjoy Greater Value, Enhance the Classroom

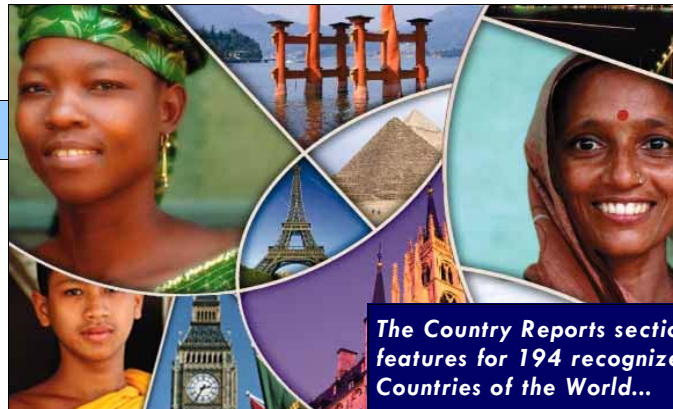

CountryWatch Youth Edition is tailored to young students exploring the countries of the world and global events. The CountryWatch Youth Edition is a combination of background information on specific countries, current events coverage, a guide to the formation of countries within global context, curriculum-based resources, and colorful international images.

The **Country Reports** section contain concise, regularly-updated capsules of background information on the 194 recognized countries in the world. The **Current Events** section features significant and timely political developments across an international spectrum. **Learning About the World** considers the way the countries of the world are geopolitically divided.

Global Images provides colorful maps, flags, national anthems and cultural images from countries around the world.

Curriculum Corner contains lessons and quizzes developed in accordance with National Social Studies Standards and derived from CountryWatch's background information. **Activities** offers the in-depth, CountryScope activities intended to widen students' awareness of the interconnected global world in which we live.

 Egypt - Cuisine
Recipes of Egypt Egyptian Torte INGREDIENTS 1 yellow cake mix, baked as directed 1 teaspoon coconut extract 1 large container of cool whip or real whipped cream 1 cup slightly toasted almonds <i>filling</i> 1 package pitted dates, chopped (8 oz.) 1 1/3 cup evaporated milk 1 1/3 cup sugar 4 slightly beaten egg yolks 1/2 cup butter 1 teaspoon vanilla METHOD/DIRECTIONS Add coconut extract to cake mix and bake as directed in 2 (9-inch) layers. Cook and stir filling over medium heat until thickened. Add one cup slightly toasted almonds. Cool. Split cake layers. Spread between layers and on top. Frost side with cool whip. Refrigerate.
